Subject: [External] Extension Request

To Whom It May Concern:

Docket # 2021-368-T
Order # 2021-792

My name is Alverneq Simpkins and I am the owner of Ginger's Adult Day Care Transportation, LLC. I have received an issued order (Order no. 2021-792) on December 15, 2021 granting the authority for our Class C Non-Emergency Certificate. Our deadline to comply is March 15, 2022.

I am currently in the process of correcting Title issues that we have with our vehicle that will

be inspected. I am working with the DMV on this matter. I am asking for an extension of 60 days, which would allow us additional time to correct this issue. Please let me know if this is feasible.

If you would, please contact me with any questions or concerns that you may have. Thank you so much for your time and consideration.
